

“DSV” Silo Storage Tanks

*...from Paul Mueller Company,
your peace of mind provider!*

- Vertical silos allow maximum storage in a minimum of space
- Lowest cost per gallon of milk storage
- 7,000- to 30,000-gallon sizes available
- Single or multiple truckloads of storage
- Standard and optional features to meet your dairy's specific needs

The girls and I
only trust Mueller
for our milk cooling
and storage.
