

Your equipment.
Our responsibility.

MUELLER SHIPPING SOLUTIONS

MUELLER

Get to know Mueller Transportation, Inc.

MUELLER TRANSPORTATION, INC. (MTI) is a wholly owned subsidiary of Paul Mueller Company dedicated to delivering Mueller® manufactured equipment and other non-standard freight. MTI provides specialty freight from our floor to your door. We focus on delivering your equipment on time using our equipment and experienced staff. MTI is not a freight forwarder: We are a freight provider.

Mueller Transportation, Inc. supports all Paul Mueller Company freight requirements from the routine to the extreme. Safe, timely, professional, and well-equipped to meet and exceed your freight needs.

PROFESSIONAL STAFF WITH OVER 85 YEARS OF SPECIALTY TANK TRANSPORTATION EXPERIENCE

Mueller Transportation, Inc. team in front of Springfield, Missouri, location.

A safe partner for your transportation needs

OUR FLOOR TO YOUR DOOR

This is a vital part of your project. Mueller Transportation, Inc. keeps your equipment in Mueller hands from our floor to your door.

- Experienced loading crews
- Engineered cradles and structures for safe and secured loads
- Skilled and knowledgeable professional drivers
- Organized planning and scheduling effort for delivering and off-loading at your site

RISK AND COVERAGE

MTI plans and manages the complex, potential risks associated with moving your unique load. We solve challenges so you don't have to.

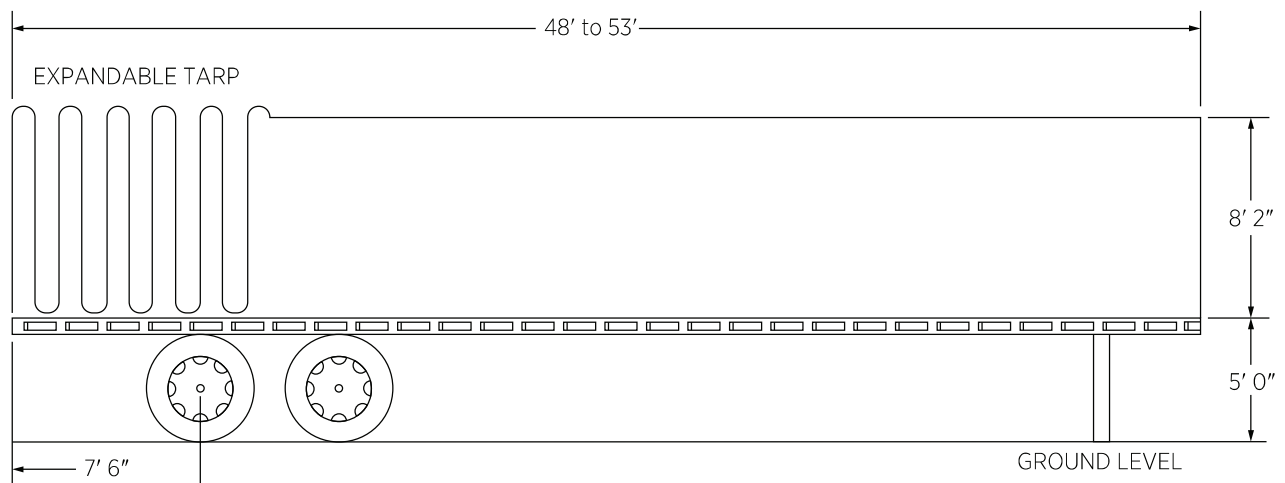

- Weather and construction logistics
- Federal, state, county, and various local regulation compliance
- Formalized safety training program to keep driver, equipment, and cargo safe
- Insurance coverage specifically designed for custom cargo

CALL 1-800-MUELLER (683-5537) OR EMAIL TRANSPORTATION@PAULMUELLER.COM TO EXPLORE SHIPPING SOLUTIONS FOR YOUR NEXT PROJECT.

MTI Trailer Fleet

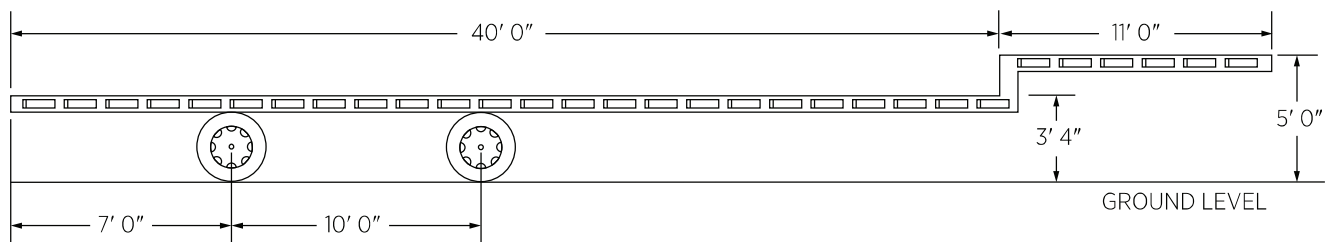

SPECIALIZED EQUIPMENT FOR SPECIALIZED NEEDS. As loads become higher, wider, and longer, regulations across the country challenge carriers to be creative and become specialists in oversized freight. MTI provides a fleet of trailers capable of flexing to the varying needs of our customers. When combined with our experienced operations team, these tools are utilized to be safe and effective while controlling risk.
